SENTINEL+
THE BRIDGE
BETWEEN TODAY
AND TOMORROW

SENTINEL+

One solution. Many possibilities.

Sentinel+ bridges humanitarian response and long-term community development — using the same design logic, components and connections.

ADAPTABLE
SCALABLE
SUSTAINABLE
PEOPLE-CENTRED

From immediate
need to lasting
opportunity.

HUMANITARIAN & EMERGENCY

Rapid deployment. Essential services. People in need.

Emergency accommodation
for displaced people

Clinics, health and care facilities

Learning spaces and child support

Community and coordination centres

WASH and essential services

Rapid deployment and reconfiguration

IMMEDIATE IMPACT.
A STRONGER START.

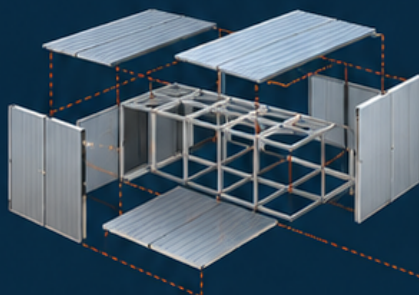

SENTINEL+ THE BRIDGE

Same design logic. Different applications.
Greater long-term value.

BUILT ON A SIMPLE PRINCIPLE

TILE + GRID

Shared components.
Multiple configurations.
Real-world solutions.

ONE ARCHITECTURE.
A WIDER RANGE OF APPLICATIONS.

RURAL & COMMUNITY DEVELOPMENT

Homes. Services. Opportunity. Stronger communities.

Permanent and transitional housing

Community facilities and local services

Schools and learning environments

Workforce accommodation

Tourism, eco-lodges and remote living

Local enterprise and
regional development

LONGER-TERM VALUE.
STRONGER COMMUNITIES.

FROM RESPONSE ...

... TO RECOVERY ...

... TO THRIVING COMMUNITIES

... THE SAME DESIGN LOGIC.
